

## Our village talks ...

All of us, we are our village.  
We all create our community.  
It is important for us  
to know each other  
and get along  
with each other.  
Some things we see  
differently,  
maybe we don't always  
like each other,  
and still we care to talk  
and listen to each other.

**LISTENING PROJECT**  
Participatory project by Rudolf Giesselmann, Hamburg

Where? Bahnstraße 50, Buir  
When? 11.11. - 17.11. 2018  
daily 3 / 5 / 5 pm

The artist Rudolf Giesselmann offers a  
space for conversations:  
a caravan open on one side in which  
2 - 5 people can talk with each other.

Simple conversation rules make sure that:  
There is time for everyone's topic.  
Everyone has their say.  
Nobody is interrupted.

A small snack and something to drink can  
be brought along.  
The caravan is heated.

Do you still have questions?
